Online bullying

Bullying online or cyberbullying isn't treated any differently to any other type of bullying. The role of parents and pupils are key in limiting this and responding to concerns. Please see a guide to privacy settings, blocking and report concerns via mobile devices.

Platform	Privacy settings	Blocking people	Reporting people
Facebook 	Open the app. Tap the menu button (☰). Swipe down to settings and privacy. Tap privacy shortcuts. Make it private!	On messenger tap and hold the person you want to block then select block. On the Facebook app, tap on the person to take you to their profile. Tap on 'more' and select block.	On the Facebook app, tap on the person to take you to their profile. Tap on 'more' and select 'give feedback or Report this profile'. Tap on the appropriate concern.
