

GRAEME HIGH SCHOOL, PARENT COUNCIL - PARENTS AS PARTNERS

The Parent Council would like to extend a very warm welcome to our new S1 pupils and their families.

As fellow parents we know how daunting the transition to High School can feel at first. We also know from personal experience that keeping the lines of communication open with our children can become more of a challenge as they make that move into adolescence.

The aim of the Parent Council is to help promote and maintain a positive partnership between school and parents, ensuring that we have a voice within the school, on those matters that directly affects our children.

The Parent Council meets around 4-5 times a year at the school, in the evening. Our meetings are attended by parents/carers, the Head Teacher, other members of the management team, teacher representatives, and senior pupils. The meetings are a way of the school sharing information and seeking and listening to the views of parents/carers on a range of topics linked to school improvement.

If you think you might be interested in joining the Parent Council, please e-mail GHSParentCouncil@falkirk.gov.uk for further information.

If alternatively you'd like to receive copies of minutes from the meetings etc., then complete the below slip and hand it back today or return to the Graeme High School office. You can also e-mail the above e-mail address to be added to our mailing list.

We also have our own **Parent Council Twitter account** - **@GHSParentForum** – this is another good way of keeping up-to-date with news from the Parent Council, so please feel free to follow us there too.

Do not hesitate to contact me via the email provided above, if you have any questions or I can be of any assistance.

Kind regards

Siân Balfour
Parent Council Chairperson
