Skills I have developed

During my time at Graeme High I have developed...

My problem solving, analytical, evaluative, essay writing, confidence, public speaking, leadership, co-operative and presentation skills.

Choosing my destination

In school I had the support of...

My house team (Lockhart, Mrs Dunning and Mr Beath). SDS careers advisor, Zander Murray. Along with ALL of my class teachers whenever I asked them for advice.

My advice

My advice...

Keep going - whenever you are down or disappointed in yourself remember to keep going because that is the only way you will improve, get better and achieve what you want. Talk to a teacher if you are facing any difficulties as they will always try their best to help you, I can guarantee that.
