

Using your Mobile device in GHS

Keep mobile devices away and on silent unless your teacher says it's o.k. to use it.

Any mobile device that is out during lessons without permission is at risk of being confiscated. Keep your device away to prevent this.

Don't video or take pictures or record audio, of pupils or staff, without permission. Don't access inappropriate websites. Failure to follow these rules may result in your device being confiscated.

When using a device in class, only do so as directed by your teacher. Inappropriate airdrops or messages are not acceptable.

Mobile devices include mobile phones, iPads or other tablets, earpods and smart watches.
